The Mayor or his designee shall respond in writing to the Union President within ten (10) working days.

Third: If the grievance is still unsettled, the Union may, within fifteen (15) days after the reply of the Mayor or his designee is due, by written notice to the other, request arbitration. The New York State Public Employment Relations Board shall be requested by either or both parties to provide a panel of arbitrators in accordance with its rules of procedure. The decision of the arbitrator shall be final and binding, except if said decision required an illegal or legislative act, in which event the decision shall be advisory only. The said decision shall be rendered within a reasonable time after the request is made to issue said decision.

No arbitrator functioning under this step of the grievance procedure shall have any power to amend, modify, or delete any provisions of this agreement.

Expenses for the arbitrator's services and the proceedings shall be borne equally by the employer and the Union. If either party desires a stenographic record of the proceedings, it may cause such a record to be made and that party shall pay for the record. If both desire a stenographic record, they shall bear the cost equally.

Any grievance not processed within the time provisions of this article or within the time limits as may be mutually agreed to be extended shall be deemed to have been satisfactorily resolved and thereby waived.

ARTICLE XVI

Statutory Provisions

IT IS AGREED BY AND BETWEEN THE PARTIES TO THIS AGREEMENT THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING FOR ADDITIONAL FUNDS THEREFORE, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL. (CIVIL SERVICE LAW, ARTICLE 14, SECTION 204-A).

ARTICLE XVII

Disciplinary Actions

If an employee has not been disciplined (oral reprimand, written reprimand, fined, demotion or suspension) for a five-year continuous period, all previous disciplinary actions shall not be used in any subsequent disciplinary actions. If a disciplinary action does occur, then a new five-year period shall begin from the date of such discipline.

If an employee is disciplined, the President of the UNION shall receive a copy of any notice of Oral Reprimand, Written Reprimand, Order of Suspension, or Notice of Discharge.

ARTICLE XVIII

Stand-By

Section 1 The Employer will maintain a “stand-by group” of employees consisting of all Lineman, Chief Lineman, Line Foreman, Electricians, and Assistant Electricians who volunteer to accept stand-by duty. New employees names may be periodically added to this group as they qualify in one of the above mentioned classifications.

The volunteer list must have a minimum of eight (8) employees. If the minimum of eight (8) employees do not volunteer then the list shall be filled to the minimum number from qualified employees in reverse order of seniority.

Section 2 Employees will be assigned stand-by duty from the stand-by group for a period commencing at the end of the regular work day Friday until the beginning of the regular work day on the following Monday. Holiday stand-by shall commence at the end of the last regular work day prior to the Holiday until the beginning of the first regular workday following the Holiday.

Section 3 If in an emergency an employee on stand-by cannot fulfill his obligation to stand-by, employees in order of seniority shall be contacted to volunteer and take the stand-by. In the event there are no volunteers, the Employer will assign an employee to stand-by duty in reverse order of seniority.

Section 4 The stand-by list shall be compiled in reverse order of seniority, and shall be posted on the bulletin boards at least three months prior to the starting date of the assigned stand-by.

Each successive stand-by list shall maintain the rotation of employees.

Each newly added name to the list will be slotted in according to his seniority.

Section 5 Employees may “exchange” or “give” their stand-by to any qualified employee who wishes to accept the scheduled stand-by and that employee accepts all responsibility for the stand-by. Written notice must be received by the PMLD one week in advance. Less than one week’s notice of stand-by change may be granted at the Superintendent’s or his designee’s discretion.

Section 6 A stand-by employee will be compensated at the rate of two (2) hours straight time pay for every normal work day Monday thru Friday.

Section 7 A stand-by employee shall be paid at the rate of (4) four hours pay per day Saturdays, Sundays, and holidays.

Section 8 Stand-by shall be paid at straight time.

Section 9 Stand-by shall be paid in addition to time paid for call outs and any other overtime pay.

ARTICLE XIX

Contracting Out

The CITY agrees that permanent full-time employees in the bargaining unit shall not be laid-off because of the CITY's contracting out. The City shall consult with the Union in the event of any proposed contracting out of work.

ARTICLE XX

Deferred Comp. Plan

Section 1 The City agrees to adopt, for interested employees of the bargaining unit, the "Deferred Compensation Plan for Employees of the State of New York and Other Participating Public Jurisdictions," consistent with the June 2, 1995 resolution adopted by the City of Plattsburgh for voluntary participation by all eligible City employees.

ARTICLE XXI

Family and Medical Leave Act Policy

Section 1 It is the City's policy to grant an unpaid leave of absence of up to twelve (12) weeks as authorized by the Family and Medical Leave Act of 1993 (FMLA). FMLA leave may be taken for any of the following reasons: for the birth and care of your child or for the placement with you of a child for adoption or foster care; or to care for your sick spouse, son,

daughter, or parent with a serious health condition; or to care for your serious health condition which makes you unable to perform the functions of your job.

Section 2 To be eligible for FMLA leave, you must have worked for the City for at least twelve (12) months, and you must have worked at least one thousand, two hundred and fifty (1,250) hours in the twelve (12) month period immediately before the date the leave would begin.

Section 3 Eligible employees may take up to twelve (12) weeks on unpaid leave during any twelve (12) month period for any of the reasons stated above. The City will use a rolling twelve (12) month period to measure the period in which leave may be taken. Under this method, when an eligible employee requests leave, The City will measure backward twelve (12) months to determine how much leave, if any, the employee has taken and subtract this amount from the twelve (12) weeks maximum entitlement. Any remaining weeks may be used as unpaid leave.

Section 4 The City will consider written request for intermittent leave under the Family and Medical Leave Act on a case-by-case basis.

Section 5 If you request leave to care for your spouse or son or daughter or parent with a serious health condition or to care for your serious health condition which makes you unable to perform the functions of your position, you are required to have your health-care provider or your spouse's or son's or daughter's or parent's health-care provider complete a certification form which we will provide you and return the certification to your supervisor within fifteen (15) days from the date the certification form is received. Leave may be denied if you fail to return a completed certification to us within fifteen (15) days.

Section 6 If you take leave for any of the reasons authorized by the FMLA, you may elect or may be required to substitute any accrued unused vacation or personal leave time for unpaid leave. If you take leave to care for your own serious health condition or the serious health condition of your spouse or son or daughter or parent then you may be required to substitute any unused accrued sick time as well as paid vacation or personal time for unpaid leave.

Section 7 If your leave lasts for more than two (2) weeks due to a serious health condition which prevents you from performing the functions of your job, you must provide us with a completed fitness-for-duty certification from your health-care provider at least one week prior to your anticipated return-to-work date. We will provide you with a fitness-for-duty form at the beginning of your leave.

Section 8 When leave is foreseeable, you must submit a written request for leave to your immediate supervisor at least thirty (30) days prior to the date leave is to begin. If you fail to give at least thirty (30) days' notice, we may deny your request for leave until thirty (30) days after we receive your notice. If the need for leave is unforeseeable, you must notify us of the need for leave as soon as practicable. While on leave, you are required to report to us at least once each week with information regarding your status, or the status of your spouse or son or daughter or parent with a serious health condition, and with your intent to report to work once your leave ends.

Section 9 While on leave we will continue your group health benefits to the same extent as if leave had not been taken. Your seniority will also be maintained. You will accrue vacation, personal, and sick leave credit during that portion of FMLA leave that is also paid by accrued vacation, personal and sick leave. However, you will not accumulate vacation, personal and sick leave credit during unpaid FMLA leave.

Section 10 Upon completing of FMLA leave you are entitled to be restored to the same position that you held prior to leave, or to an equivalent position with equivalent pay, benefits and other terms and conditions of employment. Any equivalent position will have the same pay, benefits, and other terms and conditions of employment as the position held prior to leave, will involve substantially similar duties and responsibilities, and entail substantially equivalent skill, effort, responsibility, and authority.

Section 11 If you do not return to work following leave, we may recover from you all premiums paid by us to maintain your group health insurance while you were on leave. The only exceptions are if you fail to return to work due to a recurrence of your serious health condition or the serious health of your spouse or son or daughter or parent, or other circumstances beyond your control prevents you from returning to work.

Section 12 In the event subsequent legislation is enacted that changes or modifies any part of this Family and Medical Leave Act agreement the parties agree to meet, in advance, to discuss such changes.
