PROCEDURE IN APPEALING THE ZONING ORDINANCE SPECIAL USE PERMIT

DEADLINE FOR FILING APPLICATION	ON Jan	/12/	22_			
ZONING BOARD MEETING DATE _				7:00pm	City	Hall

The Zoning Board of Appeals has been empowered to hear and decide all appeals to the Zoning Ordinance and to do so the Board holds public meetings once a month.

The attached appeal application must be completely filled out and returned to the office for action by the Zoning Board of Appeals at their monthly meeting. The filing fee for said application is as follows:

One and Two-family dwellings - \$100.00 Multiple Dwellings \$150.00 Commercial Properties \$150.00

All checks should be made payable to the "City Chamberlain". In order for your appeal to be heard in the same month you apply, the appeal form and fee must be received by this office three weeks prior to the scheduled meeting of the Zoning Board of Appeals. All applicants or their representatives should attend the Zoning Board of Appeals Public Meeting of their appeal to answer any questions the Board may have regarding their request.

In filling out the form, please be specific and supply the Zoning Board of Appeals with all the necessary information requested on the form. If you are requesting a Variance from the Ordinance, you must detail why the literal enforcement of the ordinance will produce an undue hardship, while the variance requested will adhere to property is no proof of hardship within the purpose of zoning. In addition to the above, an applicant must submit adequate drawings and a site plan of all requests which will involve any construction, alterations, or physical change of their property. Thirteen (13) copies of the application, drawings and plans are required, plus the original application. We recommend the plans be approved before the thirteen (13) copies are made.

Before the Zoning Board of Appeals may hear and decide your appeal, this office must first:

- 1. Publish the request in three successive issued of the Press-Republican newspaper not less than five nor more than ten days before the hearings.
- 2. Notify, by letter, all property owners within 500 feet of the appeal property location of your request.

This office is responsible for implementing the above requirements.

If there are any questions, please feel free to contact this office.

Thank you for your cooperation.

Full Environmental Assessment Form Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the project sponsor to verify that the information contained in Part lis accurate and complete.

ν. Is the project site subject to an institutional control limiting property uses?	DY es Dico
If yes, DEC site ID number:	
Describe the type of institutional control (e.g., deed restriction or easement):	
Describe any use limitations:	
	DV. Dv
 Describe any engineering controls: Will the project affect the institutional or engineering controls in place? 	☐ Yes ☐ No
• Explain:	
E.2. Natural Resources On or Near Project Site	
a. What is the average depth to bedrock on the project site? feet	
b. Are there bedrock outcroppings on the project site? If Yes, what proportion of the site is comprised of bedrock outcroppings?	□Yes□No
c. Predominant soil type(s) present on project site:	%
	_%
d. What is the average depth to the water table on the project site? Average: feet	
e. Drainage status of project site soils: Well Drained: % of site	
Moderately Well Drained: % of site	
Poorly Drained % of site	
f. Approximate proportion of proposed action site with slopes: 0-10%: % of site	
10-15%: % of site	
g. Are there any unique geologic features on the project site?	☐Yes MNo
If Yes, describe:	
h. Surface water features. i. Does any portion of the project site contain wetlands or other waterbodies (including streams, rivers.	□Yes □No
ponds or lakes)? ii. Do any wetlands or other waterbodies adjoin the project site?	□Yes No
If Yes to either i or ii, continue. If No, skip to E.2.i.	. /
ii. Are any of the wetlands or waterbodies within or adjoining the project site regulated by any federal, state or local agency?	□Yes □No
iv. For each identified regulated wetland and waterbody on the project site, provide the following information Streams: Name Classification	
Lakes or Ponds: Name Classification	
Wetlands: Name Approximate Size	
• Wetland No. (if regulated by DEC) Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired	□Yes □No
waterbodies?	L i es LNo
f yes, name of impaired water body/bodies and basis for listing as impaired:	
- 1	,
Is the project site in a designated Floodway?	☐Yes ☐No
Is the project site in the 100 year Floodplain?	□Yes ☑No
. Is the project site in the 500 year Floodplain?	□Yes ☑No
. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer?	☐Yes Mo
f Yes: i. Name of aquifer:	
n manie et aquitel.	

m. Identify the predominant wildlife species that occupy or use the	e project site:	
,		
- Alleria de la companya della companya della companya de la companya de la companya della compa		1
n. Does the project site contain a designated significant natural con-	nmunity?	☐Y es No
If Yes:	· · · · · · · · · · · · · · · · · · ·	
i. Describe the habitat/community (composition, function, and ba	isis for designation):	
ii. Source(s) of description or evaluation		
iii. Extent of community/habitat:		
Currently: Following completion of project as proposed.	acres	
Gain or loss (indicate 4 or -): Gain or loss (indicate 4 or -):	acres	
o. Does project site contain any species of plant or animal that is li		/
p. Does the project site contain any species of plant or animal that	is listed by NYS as rare, or as a species of	□Yes □No
q. Is the project site or adjoining area currently used for hunting, tr If yes, give a brief description of how the proposed action may affer.		□Yes \\\
E.3. Designated Public Resources On or Near Project Site		
		,
a. Is the project site, or any portion of it, located in a designated as Agriculture and Markets Law, Article 25-AA, Section 303 and		□Ycs ☑No
A ls the project site, or any portion of it, located in a designated as Agriculture and Markets Law, Article 25-AA, Section 303 and f Yes, provide county plus district name/number: D. Are agricultural lands consisting of highly productive soils president.	304? ent?	Yes No
a. Is the project site, or any portion of it, located in a designated as Agriculture and Markets Law, Article 25-AA. Section 303 and if Yes, provide county plus district name/number: b. Are agricultural lands consisting of highly productive soils pressit. If Yes: acreage(s) on project site?	304? ent?	
A ls the project site, or any portion of it, located in a designated as Agriculture and Markets Law, Article 25-AA, Section 303 and f Yes, provide county plus district name/number: b.
