**6. PERSONS ADDRESSING COUNCIL ON AGENDA ITEMS ONLY:**

**Receipt of “Keep Downtown Plattsburgh Parking Free” Petition** which is made part of the minutes of this meeting.

**Betty Lennon, Ward 4 resident** said if resolution has to do with paid parking then it should be tabled until after public hearings.

**Sylvie Beaudreau** spoke about article in newspaper regarding city being fiscally stressed, and various concerns with instituting paid parking and before any decisions made Council should hold off and consider real world implications of this.

**Mayor Read** wanted to clarify before anyone subscribes to the misconception that we are making a decision on parking tonight or moving to a paid parking regime that is totally false. The recommendations of the PPAC was actually to liberalize parking to unify towards a 2 hour parking limit for all of downtown instead of 15 minutes, 30 minutes, 1 hour and 2 hours and too continue with a system of day permits or other types of permits for people who wish to park beyond 2 hours. So there is not at contemplated in any way at this time of moving to a paid parking regime.

**INTRODUCE LOCAL LAW P-5 OF 2019:** A local law amending, renaming and restating in its entirety Chapter 128, Article II, Section 4 and amending, renaming and restating Section 128-6, amending and restating 128-7 and amending and restating 128-10 of the City Code of the City of Plattsburgh.

By Councilor Ensel

Public Hearing Date set by Mayor: **Thursday, August 29, 2019 at 5:00 pm**

Be it enacted by the Common Council of the City of Plattsburgh as follows:

The title of Article II of Chapter 128 of the City Code of the City of Plattsburgh shall be amended and restated as "Dogs and Cats At Large".

(1) City Code Section 128-4 is re-named, amended and restated as follows:

§ 128-4 Restraint and Containment of Dogs and Cats; Identification of Cats

128-4 A. A person who keeps, maintains or harbors a dog or cat or who knowingly allows a dog or cat to remain on the person's property, or who regularly feeds a dog or cat on the person's property, is presumed to be the owner of the dog or cat. A person who has charge, care, custody or control of a dog or cat is presumed to possess or control the dog or cat.

B. A person who owns, possesses or controls a dog or cat shall not permit it to be in any public place, in any open or unfenced area abutting on a public place. It shall not be a violation of this section where the dog is effectively restrained by a leash or chain not more than ten feet (10') in length.

C. A person who owns, possesses or controls a dog or cat must maintain a proper enclosure to prevent the dog or cat from wandering or escaping from the person's property. A person who owns, possesses or controls a dog or cat shall prevent their dog or cat from entering the private property of another, unless they receive permission from the owner or tenant of the private property.

D. According to New York State Law, all cats shall be vaccinated against rabies by a duly licensed veterinarian. No cat or dog is allowed off the owner's property without a reasonable identification tag including the owner's name and address. In addition, the owner of any cat that lives within the City for more than 30 days, must have the cat implanted with a registered and functioning microchip before the cat attains four (4) months of age. A cat is exempt from this requirement if the cat is determined to be medically unsuitable for microchipping by a licensed veterinarian in writing.

E. No owner shall permit the premises, structure or enclosure in which a cat is kept to be unclean or unsanitary, particularly the unsanitary accumulation of urine, urine sprayed furniture or carpets, or accumulation of feces.

F. No owner of an animal, including a cat or dog, shall abandon such animal.

(2) City Code Section 128-6 is re-named, amended and restated as follows:

§ 128-6 Barking, Calling and Spraying

128-6 Any person who owns, possesses or controls a dog shall not keep a dog that makes frequent or long continued noise such as barking, howling, or whining that is in violation of the City of Plattsburgh's "Noise" Chapter as set forth in the City Code. Any person who owns, possesses or controls a cat shall not keep a cat that makes frequent calling, meowing or howling that is in violation of the City of Plattsburgh's "Noise" Chapter as set forth in the City Code. Any person who owns, possesses or controls a dog or cat shall not keep a dog or cat that sprays urine, or leaves feces, in such a way that it touches the property of another person.

(3) City Code Section 128-7 is amended and restated as follows:

§ 128-7 Damage to Property

Any person who owns, possesses or controls a dog or cat that causes damage to property of another person, which damage may include depositing waste, feces, or urine, may be held liable in a civil action for damages by the owner of the damaged property.

(4) City Code Section 128-10 is amended and restated as follows:

§ 128-10 Enforcement

This article may be enforced by a dog control officer appointed by the Common Council, a police officer, a code enforcement officer, or a parking enforcement officer as defined in § 340-2 of the Code. Any person who observes a cat or dog, or the owners thereof in violation of any of the provisions of this article may file a written complaint with any aforementioned enforcement officer, which complaint shall contain the necessary details to investigate said complaint. An offense may be prosecuted by issuance of an appearance ticket under § 150.20 of the Criminal Procedure Law.

(5) This Local Law shall take effect upon approval by the Mayor and filing with the New York Secretary of State.

Motion to Adjourn by Councilor Ensel; Seconded by Councilor Moore

Roll call: Councilors Armstrong, Ensel, McFarlin, Moore

(All voted in the affirmative)

**MEETING ADJOURNED: 6:05 pm**

**MEMORANDUM**

To: Mayor Read & Members of the Common Council  
From: Matthew Miller, Director of Community Development  
Date: August 15, 2019  
Re: PPAC Recommendations to Common Council

During its meeting on August 13, 2019, the Plattsburgh Parking Advisory Committee approved several recommendations to be sent to the Common Council for their further deliberation. They are as follows:

**Recommendation for Immediate Consideration:**

1. Standardization of all on-street parking time limits within the downtown Special Assessment District footprint to 2 hours. This would eliminate all 10 minute, 30 minute, and 1 hour time limits within this zone. This action should be reviewed and approved by City Planner prior to formal approval by Council.
2. Except for the first recommendation regarding standardization of on-street parking time limits, the PPAC recommends no other changes be made to the on-street parking management system at this time.
3. Continuation of current City policy regarding outdoor seating "parklets" on City streets during the summer season.

**Recommendations for Consideration Pending Completion of GEIS/Traffic Study:**

1. Authorize an agreement with IPS Group, Inc. to provide hardware and software services for a new, managed, downtown parking system that employs kiosks should the Council determine to implement such a system.
2. A single type of parking permit should be offered for sale on either a monthly or annual basis. Annual permits should be offered for sale at a modest discount to the cost of 12 monthly permits. The parking permits should be designed to work in the following off-street lots:
  - Arnie Pavone Memorial Parking Plaza
  - Broad Street Lot
  - Court Street Lot
  - City Hall Place Lot
  - Public parking on the Prime Companies development (once available for use)

The permit should allow individuals to park between 8:00 a.m. and 5:00 p.m., Monday through Friday in the off-street lots listed above. The costs of these permits shall be discussed by the PPAC and a

recommendation sent to the Common Council once all costs of the new downtown parking system are known.

3. A system that employs both permits and kiosks should be implemented in the following off-street lots:

- Arnie Pavone Memorial Parking Plaza
- Broad Street Lot
- Court Street Lot
- City Hall Place Lot
- Public Parking in the Prime Companies development (once available for use)

A system that employs kiosks only should be implemented in the following off-street lots:

- Public Parking in Clinton County Government Center lot

Permits should be made available for frequent, long-term parkers. Kiosks should be made available for those individuals parking for shorter periods. Rates charges by the kiosks should be modest and parkers should be given the option of purchasing time on both an hourly and a daily basis. These rates should be charged only between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. This would coincide with the recommended parking permit structure. The distribution of kiosks in the off-street lot should be as follows:

- Arnie Pavone Memorial Parking Plaza: 3 kiosks
- Broad Street lot: 1 kiosk
- Court Street Parking lot: 2 kiosks
- City Hall Place Parking Lot: 1 Kiosk
- Public Parking in Prime Companies development: 2 kiosks

4. Assuming the implementation of a new, managed, downtown parking system that employs parking permits and kiosks in off-street lots, the PPAC recommends that the downtown Special Assessment District be either reduced or eliminated.

#### **Recommendations for Consideration Pending Physical Development of Durkee Street parking lot:**

1. Implementation of new snow ban parking system that utilizes four off-street lots (Arnie Pavone Memorial Parking Plaza, City Hall Place lot, Broad Street lot, and Court Street lot) and the existing snow ban street light system to plow roughly 125 spaces (~50%) the first night following a snow event and roughly 125 spaces (~50%) the second night following a snow event. The specific order of lot plowing to be determined by DPW based on prevailing conditions during and after each snow event with public notice provided by the existing light system.

A system that employs kiosks only should be implemented in the following off-street lots:

**Regular Meeting Agenda of the  
Plattsburgh Parking Advisory Committee (PPAC)  
Common Council Chambers, City Hall  
August 13<sup>th</sup>, 2019**

**Present:** Matthew Miller, Levi Ritter, Michael Bessette, Bob Garcia, Joseph Rotella, Rodney Brown, Ethan Vinson, Kathleen Mahoney-Myers, Patrick McFarlin, Maryanne Bukolt-Ryder

**Absent:**

**Chair Comments:**

The Chair made comments regarding the need to make recommendations to the Common Council and the rationale of holding the next PPAC meeting in November.

**Public Comment Period on Agenda Items:**

Pat H. – Spoke of the need and importance for change in Plattsburgh. Made comments about events in Burlington and Plattsburgh. Susan M. – Concerns about the elimination of the Special Assessment District and what exactly the Special Assessment District Covers.

**1. REPORT FROM CHIEF RITTER DETAILING CURRENT PARKING SYSTEM ENFORCEMENT STATISTICS FOR THE PAST MONTH**

Chief Ritter gave an update report of the most recent parking system enforcement statistics.

**2. DISCUSSION OF PETITION – PRESENTED BY MEMBER MAHONEY – MYERS**

The Committee discussed a petition regarding opposition to paid parking in downtown Plattsburgh.

**3. DISCUSSION OF THE RESULTS OF THE PAYSTATION RFP**

After reviewing proposals received in response to the “Multi-Space Parking Paystations, and Remote Payment Systems” RFP and conducting in-person interviews with all three respondents, the proposal review committee has chosen IPS Group, Inc. as the highest-scoring respondent. The PPAC accepts the results of the review committee and recommends to the Common Council that, should it choose to implement a new, managed, downtown parking system that employs kiosks, it should enter into an agreement with IPS Group, Inc. to provide hardware and software services for that system.

Moved by: McFarlin          Seconded by: Ritter

Discussion: The Committee discussed the process of review of the RFP proposals. There was discussion on the positives of the selected firm.

All in Favor: Ritter, Bessette, Garcia, Brown, Vinson, Mahoney-Myers, McFarlin, Bukolt-Ryder

All Opposed: Rotella

Action Taken: Recommendation to the Common Council was approved.

#### 4. RECOMMENDATION TO THE COMMON COUNCIL – IMPLEMENTATION SCHEDULE

The PPAC recommends to the Common Council that it not implement any substantive changes to the current downtown parking management system until the results of the Generic Environmental Impact Statement and its associated traffic study currently being prepared by the Chazen Companies to evaluate the impact of various downtown development projects are completed.

Moved by: Bukolt-Ryder    Seconded by: Brown

Discussion: The Chair gave a brief overview of the GEIS process and its potential impact on the GEIS. Discussions involved the definition of substantive changes to the current downtown parking management system.

All in Favor: Ritter, Bessette, Garcia, Rotella, Brown, Vinson, Mahoney-Myers, Bukolt-Ryder

All Opposed: McFarlin

Action Taken: Recommendation to the Common Council was approved.

#### 5. RECOMMENDATION TO THE COMMON COUNCIL – SUMMER OUTDOOR SEATING

Based on the observed excess of on-street downtown parking capacity during periods of peak utilization, the PPAC recommends to the Common Council that it continue the practice of permitting downtown restaurants to apply for and implement outdoor seating “parklets” on City streets during the summer season.

Moved by: McFarlin    Seconded by: Vinson

Discussion: The Committee discussed the number of parklets and the usage. Conversations involved the use of sidewalks for outdoor seating instead of parklets and other potential adjustments that could be made in the future. Comments were made about the positive impact on parklets for business downtown.

All in Favor: All in Favor

All Opposed:

Action Taken: Recommendation to the Common Council was approved.

#### 6. RECOMMENDATION TO THE COMMON COUNCIL – SNOW BAN PARKING

Once physical development of the Durkee Street parking lot begins, the PPAC recommends to the Common Council that a new snow ban parking system be implemented. The off-street parking lots employed by this system are to be the Arnie Pavone Memorial Parking Plaza, the Broad Street Lot, the Court Street Parking Lot, and the City Hall Place Parking Lot. The order of plowing to be determined by DPW with the anticipation that 50% of spaces to be plowed per day with public notice to be indicated by the existing light system.

##### **Snow Ban Day 1:**

Arnie Pavone Memorial Parking Plaza – 109 spaces

City Hall Place Lot – 17 spaces

##### **Snow Ban Day 2:**

Broad Street Lot – 80 spaces

Court Street Parking Lot – 44 spaces

Total – 126 spaces

Total – 124 spaces

Moved by: McFarlin            Seconded by: Ritter

Discussion: The Committee discussed the current method of off-street snow ban parking, and how setting specific days for exactly what off-street parking is going to get plowed does not adequately reflect the variability in winter weather. Comments were made how continuing using the light system and to ensure adequate off-street snow ban parking is available. Discussion also touched the topic of winter seasonal parking ban and alternative side parking. Further discussion involved the potential incorporation of the public parking spaces on the Prime Companies Development in the snow ban parking system.

Amendment: Once physical development of the Durkee Street parking lot begins, the PPAC recommends to the Common Council that a new snow ban parking system be implemented. The off-street parking lots employed by this system are to be the Arnie Pavone Memorial Parking Plaza, the Broad Street Lot, the Court Street Parking Lot, and the City Hall Place Parking Lot. The order of plowing to be determined by DPW with the anticipation that 50% of spaces to be plowed per day with public notice to be indicated by the existing light system.

Moved by: Bessette            Seconded by: Bukolt-Ryder

All in Favor: All in Favor    All Opposed:

Action Taken: Amendment was approved.

All in Favor: All in Favor

All Opposed:

Action Taken: Amended recommendation to the Common Council was approved.

## **7. RECOMMENDATION TO THE COMMON COUNCIL – PARKING PERMITS**

The PPAC recommends to the Common Council that a parking permit system be implemented before physical development of the Prime Companies development commences. A single type of parking permit should be offered for sale on either a monthly or annual basis. Annual permits should be offered for sale at a modest discount to the cost of 12 monthly permits.

The parking permits should be designed to work in the following off-street lots:

- Arnie Pavone Memorial Parking Plaza
- Broad Street lot
- Court Street lot
- City Hall Place lot
- Public parking on the Prime Companies development (once available for use)

The permit should allow individuals to park between 8:00 a.m. and 5:00 p.m., Monday through Friday in the off-street lots listed above. The costs of these permits shall be discussed by the PPAC and a recommendation sent to the Common Council once all costs of the new downtown parking system are known.

As the need arises, the PPAC will consider the recommendation of additional permits.

Moved by: Ritter                      Seconded by: Vinson

Discussion: The Committee had discussions about the impact of allowing parking permits on certain lots specifically on the Court Street Lot and Broad Street Lot and will have on parking downtown. Further conversations discussed whether or not permits should be initially sold in a year process. Comments were made about resident parking in regards to this permit. Other comments were made about the reasoning for making this recommendation now.

All in Favor: Ritter, Bessette, Garcia, Brown, Vinson, Mahoney-Myers, Bukolt-Ryder

All Opposed:

Abstained: Rotella, McFarlin

Action Taken: Recommendation to Common Council was approved.

## **8. RECOMMENDATION TO THE COMMON COUNCIL – OFF-STREET LOT PARKING MANAGEMENT**

Should the Common Council decide to implement a new, managed, downtown parking system that employs parking permits and kiosks, the PPAC makes the following recommendations:

A system that employs both permits and kiosks should be implemented in the following off-street lots:

- Arnie Pavone Memorial Parking Plaza
- Broad Street lot
- Court Street lot
- City Hall Place lot
- Public parking in the Prime Companies development (once available for use)

A system that employs kiosks only should be implemented in the following off-street lots:

- Public Parking in Clinton County Government Center lot

Permits should be made available for frequent, long-term parkers. Kiosks should be made available for those individuals parking for shorter periods. Rates charged by the kiosks should be modest and parkers should be given the option of purchasing time on both an hourly and a daily basis. These rates should be charged only between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. This would coincide with the recommended parking permit structure. The distribution of kiosks in the off-street lot should be as follows:

- Arnie Pavone Memorial Parking Plaza: 3 kiosks
- Broad Street lot: 2 kiosks
- Court Street Parking lot: 2 kiosks
- City Hall Place Parking Lot: 1 Kiosk
- Public Parking in Prime Companies development: 2 kiosks

- Public Parking in Clinton County Government Center lot: 2 kiosks

Moved by: Brown                      Seconded by: Ritter

Discussion: The Committee discussed the rationale behind the number of kiosks required for each lot. Conversations regarding if there would be revenue sharing between the County and the City for the public parking on the County Lot and between the City and Prime Companies for the public parking on the Prime Companies Development. There were discussions on the need for kiosks if the majority of off-street parking is expected to be by permit holders. Discussions involved the data which the kiosks can gather will assist the PPAC in future decision making and improve the efficiency of enforcement. Conversations regarding if there will be any free time allowed in off-street parking.

Amendment: To reduce the number of kiosks of Broad Street from two (2) to one (1) kiosk.

Moved by: McFarlin                      Seconded by: Brown

All in Favor: All in Favor Passed      All Opposed:

Action Taken: Amendment to the recommendation approved.

All in Favor: Ritter, Bessette, Garcia, Rotella, Brown, Vinson, Bukolt-Ryder

All Opposed: Rotella, Mahoney-Myers, McFarlin

Action Taken: Amended recommendation to the Common Council was approved.

#### **9. RECOMMENDATION TO THE COMMON COUNCIL – ELIMINATION OR REDUCTION OF THE “SAD”**

Should the Common Council decide to implement a new, managed, downtown parking system that employs parking permits and kiosks in off-street lots, the PPAC recommends to the Common Council that the downtown Special Assessment District be eliminated or reduced.

Moved by: Bukolt-Ryder      Seconded by: Ritter

Discussion: The Committee discussed how the proposed off-street lot management system can cover the costs of the current Special Assessment District. Comments were made how if the SAD was not eliminated then residents should receive free permits.

All in Favor: All in Favor      All Opposed:

Action Taken: Recommendation to the Common Council was approved.

#### **10. RECOMMENDATION TO THE COMMON COUNCIL – ON-STREET PARKING MANAGEMENT**

The PPAC recommends that all on-street parking time limits within the boundaries of the Special Assessment District be standardized and that a uniform time limit of 2 hours be implemented. Subject to the review and approval by the City Planner. The PPAC also recommends that the Common Council forgo any further substantive changes to the current on-street parking management system at this time.

Moved by: Ritter                      Seconded by: Garcia

Discussion: The Committee discussed the impact of creating a uniform 2 hour time limit in the downtown and how this is an action that could occur before the GEIS is completed.

All in Favor: All in Favor      All Opposed:

Action Taken: Recommendation to the Common Council was approved.

#### **11. DISCUSSION ON HOLDING NEXT PPAC MEETING IN NOVEMBER**

The Chair recommends that the next meeting of the PPAC be held on Tuesday, November 12, 2019 for the following reasons:

- The PPAC has made recommendations to the Council regarding the adequate replacement of the Durkee Street lot's parking capacity.
- Based on the results of our August meeting, the PPAC will have made several additional recommendations to the Council governing various aspects of the proposed downtown parking system.
- Many of the future recommendations of the PPAC shall be dependent upon the results of the GEIS currently being prepared for various downtown development projects and which is not expected to be completed until December of 2019.
- The authorizing resolution which created the PPAC mandated that it meet at least once per quarter.

Moved by: McFarlin      Seconded by: Ritter

Discussion: The Committee agreed until more information is available there is little reason to meet.

All in Favor: All in Favor      All Opposed:

Action Taken: The next meeting of the PPAC will be held on Tuesday, November 12, 2019.

#### **Public Comment Period:**

Pat H. – Asked if having kiosks would save on personnel costs.

**Presentation of "Keep Downtown Plattsburgh Parking Free" Petition for the official record to Mayor Colin Read's office and the members of the Plattsburgh Common Council before regularly scheduled Common Council meeting, Thursday, August 15, 2019 by Kate Mahoney-Myers, Plattsburgh Parking Advisory Committee (PPAC) member, private citizen, downtown business owner**

Despite significant opposition, the Durkee Street parking lot development via the Downtown Revitalization Initiative (DRI) has sparked large-scale parking changes downtown. As a result, downtown Plattsburgh is facing significant changes and challenges over the next several years. Free two hour parking is arguably currently one of the best features of downtown Plattsburgh-- attracting businesses, visitors and residents alike. Changing to pay-to-park parking would have significant financial repercussions to most downtown business as well as significant financial and quality-of-life issues to downtown residents. This petition was clearly targeted to downtown business owners, downtown business patrons, downtown residents, downtown business employees, downtown property owners and downtown visitors (some of whom may reside in other states or in other countries). Every effort has been made to ensure that these signatures are appropriate and all have been collected between the end of June 2019 and today. Due to my limited time constraints, there are somewhere around 1,075 unique signatures as I present the petition to you today. Given more time & resources I am sure I could easily double this number or perhaps even triple it. As outlined in my many public PPAC meeting comments there are many, many clear reasons not to implement metered pay-to-park parking in downtown Plattsburgh. I am happy to answer any questions anyone may have for me at this time.

Sincerely,

*Dr. Kate Mahoney-Myers* (518) 534-1547  
Kate Mahoney-Myers

Full Text of Petition:

*"In 2018, Plattsburgh City Council members voted to implement a paid parking kiosk system in downtown Plattsburgh NY, which will eliminate most, if not all FREE PARKING in downtown Plattsburgh. The Plattsburgh Parking Advisory Committee (PPAC) is currently reviewing bids to rapidly implement this system in downtown. If this is implemented, ALL PARKING downtown will potentially be paid 24 hours a day-- it is highly likely that all the parking lots and all the on-street parking will be PAY-TO-PARK.*

*We the people-- downtown business owners, downtown business patrons, downtown residents, downtown business employees, downtown property owners and the many out-of-state downtown visitors-- OPPOSE THIS vehemently. Don't saddle downtown with the burden of a massively expensive and wholly unnecessary paid parking system.*

*The Common Council can vote to undo the change to paid parking, or to indefinitely postpone it as downtown adapts to the many changes it currently faces. We the people ask they do this."*
