Re: Change Order Request Asbestos Quotation- PMLD Building #3

Matt:

MP Environmental Services, Inc. presented this change order proposal to Ormsby Trucking and Excavating as a result of the weather conditions and delays caused during the roofing removal. Per the specifications, the start date was to be completed prior to winter weather conditions. The weather conditions caused water to freeze and unfreeze seeping through going inside. From the amount of the freezing rain caused the ceiling to fall. Resulting, large opens on the roof causing the wind to blow the material throughout.

SCOPE OF SERVICES

Asbestos Abatement Activities:

- Work to be completed per the NYS Site-Specific Variance Amendment #2

ESTIMATED COST AND BASIS FOR BILLINGS:

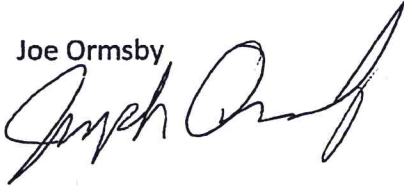

The cost to perform the proposed scope of work is presented in the table below.

Item#	Description	Unit	Price
1	ACM Clean-up as a result of the winter weather conditions caused during roofing removal.	Lump Sum	\$13,500.00
2	Ormsby Trucking – 15% Overhead and Profit	Lump Sum	\$2,025.00
3	Ormsby Trucking – Additional bond cost for override	Lump Sum	\$466.00
4	Change Order Request:	Lump Sum	\$15,991.00

If you have any questions, please call me at (518) 726-6005.

Respectfully Submitted,

Joe Ormsby

Re: City of Plattsburgh, Clinton County, New York
Water Distribution System Improvements - \$819,000 Bonds
Orrick File: 43851-2-11

Dear Richard:

We have prepared and enclose herewith a draft form of bond resolution relating to the above matter for possible adoption by the Common Council. Please check SEQRA status. We rounded up to cover soft costs.

If utilized, please see that this resolution is adopted by the affirmative vote of at least two-thirds of the entire voting strength of the Common Council. After adoption, the summary Legal Notice of Estoppel of the resolution, a form of which is enclosed herewith for your convenience, should be published once in the official newspaper of the City.

When available kindly furnish us with a certified copy of the enclosed Resolution, together with an original printer's affidavit of publication of the Legal Notice of Estoppel thereof.

Please do not hesitate to call if you have any questions.

With best wishes,

Very truly yours,

Douglas

The following resolution was offered by Council member _____, who moved its adoption, seconded by Council member _____, to-wit:

BOND RESOLUTION DATED JANUARY ____, 2020.

A RESOLUTION AUTHORIZING THE ISSUANCE OF \$819,000 BONDS OF THE CITY OF PLATTSBURGH, CLINTON COUNTY, NEW YORK, TO PAY THE COST OF WATER DISTRIBUTION SYSTEM IMPROVEMENTS, IN AND FOR SAID CITY.

WHEREAS, the capital project hereinafter described has been determined to be a Type II Action pursuant to the regulations of the New York State Department of Environmental Conservation promulgated pursuant to the State Environmental Quality Review Act, the implementation of which as proposed, such regulations provide, will not result in any significant adverse environmental impact; and

WHEREAS, it is now desired to authorize the financing thereof, NOW, THEREFORE,

BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the Common Council of the City of Plattsburgh, Clinton County, New York, as follows:

Section 1. For the class of objects or purposes of paying the cost of water distribution system improvements, in and for the City of Plattsburgh, Clinton County, New York, including replacement of mains, laterals and hydrants, and water meter reading system, together with incidental improvements and expenses in connection therewith (Project No. H8320.80), there are hereby authorized to be issued \$819,000 bonds pursuant to the provisions of the Local Finance Law. Said class of objects or purposes is hereby authorized at a maximum estimated cost of \$819,000.

Section 2. The plan for the financing for said maximum estimated cost is by the issuance of the \$819,000 bonds of the City herein authorized to be issued therefor.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is forty years, pursuant to subdivision 1 of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said City of Plattsburgh, Clinton County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said City, a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the City Chamberlain, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said City Chamberlain, consistent with the provisions of the Local Finance Law.

Section 6. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the City Chamberlain, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as she shall deem best for the interests of said City, including, but not limited to, the power to sell said bonds to the New York State Environmental Facilities Corporation; provided, however, that in the exercise of

these delegated powers, the City Chamberlain shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the City Chamberlain shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 7. Such bonds shall be in fully registered form and shall be signed in the name of the City of Plattsburgh, Clinton County, New York, by the manual or facsimile signature of the City Chamberlain and a facsimile of its corporate seal shall be imprinted or impressed thereon and may be attested by the manual or facsimile signature of the City Clerk.

Section 8. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the City Chamberlain, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as he shall deem best for the interests of said City; provided, however, that in the exercise of these delegated powers, he shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the City Chamberlain shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 9. All other matters, except as provided herein relating to such bonds herein authorized including date, denominations, maturities, interest payment dates, and whether said bonds shall be repaid in accordance with a schedule providing for substantially level or declining annual debt service, within the limitations prescribed herein and the manner of execution of the same and also including the consolidation with other issues, shall be determined by the City Chamberlain, the chief fiscal officer of such City. Such bonds shall contain substantially the recital of validity clause provided for in section 52.00 of the Local Finance Law and shall

otherwise be in such form and contain such recitals in addition to those required by section 52.00 of the Local Finance Law, as the City Chamberlain shall determine consistent with the provisions of the Local Finance Law.

Section 10. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this Resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 11. The City Chamberlain is hereby further authorized, at his sole discretion, to execute a project finance and loan agreement, and any other agreements with the New York State Department of Health and/or the New York State Environmental Facilities Corporation, including amendments thereto, and including any instruments (or amendments thereto) in the effectuation thereof, in order to effect the financing or refinancing of the class of objects or purposes described in Section 1 hereof, or a portion thereof, by a bond, and/or note issue of said City in the event of the sale of same to the New York State Environmental Facilities Corporation.

Section 12. The power to issue and sell notes for said class of objects or purposes to the New York State Environmental Facilities Corporation pursuant to Section 169.00 of the Local Finance Law is hereby delegated to the City Chamberlain. Such notes shall be of such terms, form and contents as may be prescribed by said City Chamberlain consistent with the provisions of the Local Finance Law.

Section 13. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said City is not authorized to expend money, or

2) The provisions of law which should be complied with at the date of publication of this Resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 14. This resolution, which takes effect immediately, shall be published in summary form in the official newspaper, together with a notice of the City Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

The question of the adoption of the foregoing resolution was duly put to a vote on roll call, which resulted as follows:

OTIS MAINTENANCE

We propose to furnish Otis Maintenance on the equipment ("Units") described above. Otis Maintenance is a full preventive maintenance service intended to protect your investment, extend equipment life, and provide a high level of performance and reliability.

OTIS MAINTENANCE MANAGEMENT SYSTEMSM

We will use the Otis Maintenance Management System preventive maintenance program to deliver service tailored to your specific building needs. Equipment type, component life, equipment usage, and building environment will be taken into account by the OMMS® scheduling system, which will be used to plan maintenance activities in advance. The Units will be provided with devices to monitor equipment usage. We will use OMMS standard work processes developed and continuously improved by Otis.

Under this Contract, we will maintain the Units on the following terms and conditions:

PERFORMANCE MAINTENANCE

We will maintain the Units using trained personnel directly employed and supervised by us. The maintenance will include inspection, lubrication, and adjustment of the following parts:

- Controller parts, selectors and dispatching equipment, relays, solid-state components, transducers, resistors, condensers, power amplifiers, transformers, contacts, leads, dashpots, timing devices, computer and microcomputer devices, steel selector tapes, mechanical and electrical driving equipment, signal lamps, and position indicating equipment.
■ Door operators, car door hangers, car door contacts, door protective devices, load weighing equipment, car frames, car safety mechanisms, platforms, car and counterweight guide shoes including rollers and gibs, and emergency car lighting.
■ Hoistway door interlocks and hangers, bottom door guides, and auxiliary door closing devices.
■ Machines, worms, gears, thrust bearings, drive sheaves, drive sheave shaft bearings, brake pulleys, brake coils, contacts, linings, and component parts.

- Motors, brushes, brush holders, and bearings.
- Governor components, governor sheaves and shaft assemblies, bearings, contacts, governor jaws, deflector or secondary sheaves, car and counterweight buffers, car and counterweight guide rails, car and counterweight sheave assemblies, top and bottom limit switches, governor tension sheave assemblies, and compensating sheave assemblies.
- Pumps, pump motors, operating valves, valve motors, leveling valves, plunger packings, exposed piping, above ground plungers and cylinders, and hydraulic fluid tanks.
- Escalator handrails, handrail drive chains, handrail brush guards, handrail guide rollers, alignment devices, steps, step treads, step wheels, step chains, step axle bushings, comb plates, floor plates, tracks, external gearing, and drive chains.
- Escalator upper drives, upper drive bearings, tension sprocket bearings, upper newel bearings and lower newel bearings, demarcation lights, and comb lights.

RELIABILITY

PARTS COVERAGE

If necessary, due to normal usage and wear, Otis will repair or replace any of the parts specified above at their sole discretion, unless specifically excluded elsewhere in the contract. Any parts under this Contract requiring replacement will be replaced with parts selected by Otis.

PARTS INVENTORY

We will during the term of this Contract maintain a supply of frequently used replacement parts and lubricants selected by Otis to meet the specific routine requirements of the Units. Any replacement parts stored in the machine room remain our property until installed in the Units. We further agree to maintain a supply of routine replacement parts available for express delivery in case of emergencies.

QUALITY CONTROL

We will periodically conduct field audits of our personnel and the Units to maintain quality standards. Otis field engineers will provide technical assistance, technical information, and Code consultation to support our maintenance organization.

RESPONSIVENESS

24-HOUR DISPATCHING

We will, at your request, provide you with access to eService and our OTISLINE 24-hour, year-round dispatching service. In the event a Unit malfunction occurs between regular examinations, you will be able to place a service call on eService or through an OTISLINE customer service representative, who will, at your request, dispatch an examiner to perform service. In the event Otis receives an emergency call from the phone in the elevator and a passenger indicates a need for assistance, Otis shall attempt to contact a building representative for an assessment of the situation and authorization to respond to the call. If Otis is unable to reach a building representative, Otis shall respond to the emergency call from the phone in the elevator. The visit will be treated as a Callback. It is your responsibility to: (a) have a representative available to receive and respond to OTISLINE calls; and (b) maintain working telephone equipment.

COMMUNICATION

CUSTOMER REPRESENTATIVE

As a service to you, and at your request an Otis representative will be available to discuss with you your elevator needs in the areas of modernization, traffic handling ability, recommendations and requirements of Code authorities, proper use and care of the Units, and the OMMS program. There is no additional charge for this consulting service, but by making this service available to you, Otis does not assume any duty to warn.

REPORTS – eSERVICE

We will use the OMMS program to record completion of maintenance procedures. We will, at your request, provide you access to eService. You will be able to access twelve (12) months of repair, completed maintenance procedure and service call history for the Unit(s). You will be responsible for obtaining Internet access to use eService.

SAFETY AND ENVIRONMENT

SAFETY TESTS – HYDRAULIC ELEVATORS

We will conduct an annual no load test and annual pressure relief valve test.

FIREFIGHTERS' SERVICE TEST

If the equipment has firefighters' service, you assume responsibility for performing and keeping a record of any Code required tests and for the maintenance, functioning and testing of the smoke and/or heat detectors.

If during the initial firefighters' service test any elevator firefighters' service is found to be inoperable, the building will be responsible for all of the cost associated with the repairs necessary to bring the unit in compliance with the applicable Codes.

If any applicable Code or governing authority mandates that such required tests be performed by a licensed elevator mechanic, Otis will provide such testing and service on an Open Order basis. You will be responsible for the costs associated with such testing and service.

SAFETY TRAINING

We will instruct our personnel to use appropriate personal protection equipment and follow safe work practices.

ENVIRONMENTAL PROTECTION

Otis endeavors to reduce generation of waste materials, to minimize risks to the environment, customers, the general public and Otis employees, and to comply with all federal and state environmental laws and regulations. Material Safety Data Sheet (MSDS) Manuals are available for review at your request.

You assume responsibility for removal of wastes, including but not limited to hydraulic oil, spoils, asbestos, etc., as it is not part of this Contract.

MAINLINE DISCONNECTS

You agree to engage a qualified electrician to service at least once annually the elevator mainline disconnects located in the elevator equipment room.

SHARED RESPONSIBILITY

You agree to provide us unrestricted ready and safe access to all areas of the building in which any part of the Units are located and to keep all machine rooms and pit areas free from water, stored materials, and debris. You agree to provide a safe work place for our personnel, and to remove and remediate any waste or hazardous materials in accordance with applicable laws and regulations.

If any Unit is malfunctioning or is in a dangerous condition, you agree to immediately notify us using the 24-hour OTISLINE service. Until the problem is corrected, you agree to remove the Unit from service and take all necessary precautions to prevent access or use.

You agree to properly post, maintain, and preserve any and all instructions or warnings to passengers in connection with the use of any Units.

In furtherance of OSHA's directive contained in 29 C.F.R. § 1910.147(f)(2)(i), which requires that a service provider (an "outside employer") and its customer (an "on-site employer") must inform each other of their respective lock out/tag out ("LOTO") procedures whenever outside servicing personnel are to be engaged in control of hazardous energy activities on the customer's site, Otis incorporates by reference its mechanical LOTO procedures and its electrical LOTO procedures. These procedures can be obtained at www.otis.com by (1) clicking on "The Americas" tab on the left side of the website; (2) choosing "US/English" to take you to the "USA" web page; (3) clicking on the "Otis Safety" link on

the left side of the page; and (4) downloading the “Lockout Tagout Policy Otis 6.0” and “Mechanical Energy Policy Otis 7.0,” both of which are in .pdf format on the right side of the website page. Customer agrees that it will disseminate these procedures throughout its organization to the appropriate personnel who may interact with Otis personnel while Otis personnel are working on site at Customer’s facility.

WORK SCHEDULE

NORMAL HOURS

All maintenance procedures and repairs will be performed during our regular working hours of our regular working days for the examiners who perform the service. All lamp and signal replacements will be performed during regular examinations.

For purposes of this Contract, a Callback is a response by Otis to a request for service or assistance made (a) by the customer or customer representative, (b) by the building or building representative; (c) by emergency personnel; (d) through the ADA phone line, and/or (e) through REM® monitoring system, for service or assistance, on an as needed basis, excluding regularly scheduled maintenance.

Regular working hours: 8:00 AM – 4:30 PM.

Regular working days: Monday – Friday excluding holidays.

OVERTIME

Callbacks outside of regular working hours will be billed at standard overtime rates.

OWNERSHIP AND LICENSES

WIRING DIAGRAMS

You agree to provide us with current wiring diagrams reflecting all previously made changes for Units covered by this Contract to facilitate proper maintenance of the equipment. We shall maintain the wiring diagrams so that they properly reflect any changes made by Otis to the equipment. These diagrams will remain your property.

OTIS SERVICE EQUIPMENT

Any counters, meters, tools, remote monitoring devices, or communication devices which we may use or install under this Contract remain our property, solely for the use of Otis employees. Such service equipment is not considered a part of the Units. You grant us the right to store or install such service equipment in your building and to electrically connect it to the Units. You will restrict access to the service equipment to authorized Otis personnel. You agree to keep the software resident in the service equipment in confidence as a trade secret for Otis. You will not permit others to use, access, examine, copy, disclose or disassemble the service equipment or the software resident in the service equipment for any purpose whatsoever. If the service is terminated for any reason, we will be given access to your premises to remove the service equipment, including the resident software, at our expense.

OTIS SOFTWARE

Software owned by Otis may be embedded in parts or otherwise provided by Otis as part of this maintenance agreement. You have the right to use this software only for operation of the units for which the part was provided. You may also make a backup or archival copy of the software, provided you reproduce the copyright notice and any other legend of ownership on the copy. You may not otherwise copy, display, adapt, modify, distribute, reverse assemble, reverse compile, or otherwise translate the software. You will not transfer possession of the software except as part of a transfer of ownership of the Units and the assumption of the rights and obligations under this agreement by the transferee.

NON-OTIS SOFTWARE

You retain your rights to any software not provided by Otis contained in the Units and agree to allow Otis to make one backup or archival copy for you.

SERVICE TOOLS

You are responsible to secure our right to use any special service tools required to maintain your non- Otis equipment. These tools must be provided prior to us beginning maintenance on such equipment.

THE UNITS

It is agreed that we do not assume possession or control of the Units, that such Units remain yours solely as owner and operator, lessee, or agent of the owner or lessee, and that you are solely responsible for all requirements imposed by any federal, state, or local law, Code, ordinance or regulation.

CLARIFICATIONS

This Contract does not cover car enclosures (including, but not limited to, wall panels, door panels, car gates, plenum chambers, hung ceilings, lighting, light diffusers, light tubes and bulbs, handrails, mirrors and floor coverings), rail alignment, hoistway enclosures, hoistway gates, hoistway inserts and brackets, mainline disconnect switches, doors, door frames, sills, swing door hinges and closing devices, below ground or unexposed hydraulic cylinders and plungers, buried or unexposed piping, escalator balustrades, escalator lighting or wedge guards. Without affecting our obligation to provide service under this Contract, you agree to permit us to train our personnel on the Units. This Contract does not cover computer and microcomputer devices, such as terminal keyboards and display units that are not exclusively dedicated to the elevator system. This Contract does not cover telephones installed by others, intercoms, heat sensors, smoke sensors, communications equipment, or safety signaling equipment, or instructions or warnings in connection with use by passengers.

We will not be required: (i) to make any tests other than that as specifically set forth herein; (ii) to make any replacements with parts of a different design or type; (iii) to make any changes in the existing design of the Units; (iv) to alter, update, modernize or install new attachments to any Units, whether recommended or directed by governmental authorities or by any third party; (v) to make repairs or replacements necessitated by failures detected during or due to testing of the Units or buried or unexposed hydraulic cylinders or piping and (vi) to replace or repair any component or system utilizing obsolete or discontinued parts, including parts for which the original design is no longer manufactured by the original equipment manufacturers, or parts where the original item has been replaced by an item of different design or is replaceable only by fabrication; (vii) to provide reconditioned or used parts; (viii) to make any replacements, renewals, or repairs necessitated by reason of any cause beyond our control including, but not limited to, fire, explosion, theft, floods, water, weather, earthquake, vandalism, misuse, abuse, mischief, or repairs by others.

You assume responsibility for the cost of correcting all Elevator Code violations existing on the date we enter into this Contract. If such Code violations or other outstanding safety violations are not corrected in accordance with this Contract, Otis may with respect to the equipment not meeting Code requirements cancel this Contract without penalty by providing thirty (30) days written notice.

Should you require us to interface with a third party work order, insurance or safety systems, Otis will add an appropriate fee to cover the additional cost associated with this service.

Neither party shall be liable for any loss, damage or delay due to any cause beyond our reasonable control including, but not limited to, acts of government, strikes, lockouts, other labor disputes, fire, explosion, theft, floods, water, weather, earthquake, riot, civil commotion, war, vandalism, misuse, abuse, mischief, or acts of God.

We agree that we shall be liable for accidents and injuries to person or property when adjudged to have been caused by the sole negligence or willful misconduct of Otis or our employees. In all other instances, Customer shall indemnify, defend and hold us harmless against all claims, damages, losses, costs, and expenses (including attorney's fees and other litigation costs) arising out of or connected with the use, repair, maintenance, operation or condition of the Equipment. We shall maintain worker's compensation and employers' liability insurance covering our liability for injury or death sustained by our employees, and comprehensive general liability insurance. You shall insure that all risk insurance upon the full value of the Work and material delivered to the job site is maintained at no cost to us. If either party so requires, in writing, the other party shall furnish certificates of insurance evidencing the above insurance coverages.

Notwithstanding any other agreement or provision to the contrary, under no circumstances will either party be liable for any indirect, special or consequential damages of any kind, including, but not limited to, fines or penalties, loss of profits, loss of rents, loss of good will, loss of business opportunity, additional financial costs, or loss of use of any equipment or property, whether in contract, tort, warranty or otherwise.

You agree to provide us unrestricted ready and safe access to all areas of the building in which any part of the Units are located, to keep all machine rooms and pit areas free from water, stored materials, and debris, to provide a safe work place for our personnel, to remove and remediate any waste or hazardous materials in accordance with applicable laws and regulations, and to provide a grounded, 3-prong electrical system and proper lighting in the machine rooms and pits. We shall not be obliged to perform until such unsafe condition has been remedied.

If any Unit is malfunctioning or is in a dangerous condition, you agree to notify us as soon as possible using the 24-hour OTISLINE® service. Until the problem is corrected, you agree to remove the Unit from service and take all necessary precautions to prevent access or use.

You will provide written notice within twenty-four hours after occurrence of any accident in or about the elevator (s) and/or escalator(s) to us and if required by law, to any local authorities. You further agree to preserve replaced parts.

Escalator Units are designed only for transporting passengers. For escalator Units, you agree to take all necessary measures to prevent other items from being conveyed, so that features designed to protect passengers and prevent property damage are not damaged. When stationary, escalators are to be properly barricaded and not to be used as steps.

You agree to properly post, maintain, and preserve any and all instructions or warnings to passengers in connection with the use of any Units.

In the event of an entrapment, Customer will call Otis and wait for a trained and licensed elevator mechanic to arrive, except for a medical emergency situation where it may be appropriate to summon a professional first responder such as police or firemen. Customer agrees that its agents, contractors, employees or representatives shall not attempt to extricate any passengers from an elevator that becomes stalled within the hoistway.

Otis will not be required to make renewals or repairs necessitated by fluctuations in the building AC power systems, adverse hoistway or machine room conditions (including temperature variations below 60 degrees and above 90 degrees Fahrenheit), excessive humidity, adverse environmental conditions, water damage, rust, fire, explosion, acts of God, misuse, or vandalism.

If this Agreement is terminated prematurely for any reason, other than our own default, you agree to pay as liquidated damages, and not as a penalty, one-half (50%) of the remaining amount due under this Agreement.

Should this Agreement be accepted by you in the form of a purchase order, the terms and conditions of this Agreement will take precedence over those of the purchase order.

We will not be liable for any claim, injury, delay, death or loss or property resulting from telephone equipment failure, false alarms, interruption of telephone service, or "no voice calls", i.e. calls from inside the equipment to Otisline where there is no verbal response to the Otisline operator.

ALTERATIONS

You will not allow others to make alterations, additions, adjustments, or repairs to the equipment.

SPECIAL PROVISIONS

Notwithstanding any other provision herein to the contrary, the following provisions shall be applicable and govern in the event of conflict:

Advanced Payment

Beginning on the Effective Date, payments will be made Annually and an Advanced Payment Discount of 3.00 % will be applied to the net billing amount.

Payments are due on or before the last day of the month prior to the billing period. If full payment is not received by the due date, the Advanced Payment Discount will not be available and you will be obligated to pay us the full contract price.

When the anniversary date of the commencement of the service occurs within a billing period, the invoice for the next billing period will include billing in arrears for the price adjustment calculated in accordance with the terms of this contract.

CONTRACT PRICE AND TERM

CONTRACT PRICE

Two hundred eighty-eight dollars (\$ 288.00) per month, payable Annually

PRICE ADJUSTMENT

Two hundred eighty-eight dollars (\$ 288.00) of the original Contract Price will be increased or decreased by the percent increase or decrease in the straight time hourly labor cost under the IUEC contract on **01/01/2020** which was **90.719**. The phrase "straight time hourly labor cost" means the sum of the straight time hourly labor rate plus the hourly cost of fringe benefits paid to elevator examiners in the locality where the equipment is to be maintained.

The Contract Price will be adjusted annually on the commencement date by the percentage increase or decrease in the straight time hourly labor cost under the IUEC contract then in effect. The term "straight time hourly labor cost" means the sum of the straight time hourly labor rate plus the hourly cost of fringe benefits paid to elevator examiners in the locality where the equipment is maintained. In addition, we may adjust the Contract Price as a result of any substantial changes in service expenses, including but not limited to expenses in connection with fuel, waste disposal, environmental requirements, cost of materials, changes to government regulations or other administrative costs.

TERM

The Commencement Date will be 01/01/2020.

The Term of this Contract unless modified under the extended term below, will be for five (5) years beginning on the Commencement Date.

In the event that you sell the building or your interest is terminated prior to the expiration of the Contract, you agree to assign the Contract to the new owner or successor and to cause the new owner to assume your obligations under this agreement. If the new owner or successor fails to assume your obligations under the Contract, then you agree to pay to Otis all sums due for the unexpired Term.

PAYMENTS

Beginning on the Effective Date, payments will be due and payable on or before the first day of the contract year in which services are rendered beginning on the Commencement Date.

The work shall be performed for the agreed price plus any applicable sales, excise or similar taxes as required by law. In addition to the agreed price, you shall pay to us any future applicable tax imposed on us, our suppliers or you in connection with the performance of the work described.

You agree to pay a late charge from the date such sums become due of one and one-half percent (1.5%) per month, or the highest legally permitted rate, whichever is less, on any balance past due for more than thirty (30) days, together with all costs (including, but not limited to, attorneys' fees) incurred by us to collect overdue amounts.

Failure to pay any sum due by you within sixty (60) days will be a material breach. We may at our option declare all sums due or to become due for the unexpired term immediately due and payable as liquidated damages, and until the same are paid be discharged from further obligations under the contract.

Electronic Funds Transfer Payments (ACH/EFT)**Transmission Format**

Accepting CTX (Corporate Trade Exchange) format only. This format allows for up to

9,999 invoices per payment and supports detailed remittance data. It allows the combining of multiple invoices on a single payment and will ensure automatic credit to your accounts, as long as the entire Otis invoice number(s) is transmitted in the exact Otis format (examples below).

Please use the IV (which stands for invoice number) Qualifier when providing the Otis invoice number.

ACCEPTANCE

This proposal, when accepted by you below and approved by our authorized representative, will constitute the entire and exclusive contract between us for the services to be provided and your authorization to perform as outlined herein. All prior or contemporaneous oral or written representations or agreements not incorporated herein will be superseded. Any purchase order issued by you in connection with the services to be provided will be deemed to be issued for your administrative or billing identification purposes only, and the parties hereto intend that the terms and conditions contained herein will exclusively govern the services to be provided. We do not give up rights under any existing contract until this proposal is fully executed. This Contract may not be changed, modified, revised or amended unless in writing signed by you and an authorized representative of Otis. Further, any manual changes to this form will not be effective as to Otis unless initialed in the margin by an authorized representative of Otis.

THIS QUOTATION is valid for ninety (90) days from the proposal date.

RESOLUTION # _____

**ACCEPTING FINAL GENERIC ENVIRONMENTAL IMPACT STATEMENT
FOR DOWNTOWN AREA IMPROVEMENT PROJECTS AND
AUTHORIZING PUBLIC NOTICES IN ACCORDANCE WITH
REQUIREMENTS OF STATE ENVIRONMENTAL QUALITY REVIEW ACT**

INTRODUCED BY:

SECONDED BY:

WHEREAS, the City of Plattsburgh revitalization efforts will involve several downtown area improvement projects (collectively the "Projects"); and

WHEREAS, the Plattsburgh Common Council ("Common Council") determined that the Projects collectively are a Type I Action pursuant to the State Environmental Quality Review Act (SEQRA), identified the potential Involved Agencies under SEQRA and was duly designated as SEQRA Lead Agency with consent of the Involved Agencies; and

WHEREAS, the Common Council determined to conduct comprehensive review of the Projects through preparation of a Generic Environmental Impact Statement (GEIS) pursuant to SEQRA and Section 617.10 of the implementing Regulations set forth at Title 6 of the New York Compilation of Codes, Rules and Regulations (NYCRR); and

WHEREAS, The Chazen Companies (Chazen) prepared a Draft Scoping Document pursuant to 6 NYCRR Section 617.8 and the Common Council, as SEQRA Lead Agency, provided a copy of the Draft Scope to all Involved Agencies, made it available to any individual or SEQRA Interested Agency that expressed an interest in writing to the Lead Agency and provided both a period of time for the public to review

and provide written comments on the Draft Scope and a public scoping session to provide for public input; and

WHEREAS, a Final Scoping Document was accepted by the Common Council and Chazen prepared a Draft GEIS ("DGEIS") in accordance with the Final Scoping Document to assess the potential impacts of the Projects, and the DGEIS was accepted as complete for public review by the Common Council on November 21, 2019; and

WHEREAS, the DGEIS and Notice of Completion were duly circulated to all SEQRA Involved and Interested Agencies; the DGEIS was posted on the City's website and a Notice of Acceptance of Draft GEIS and Public Hearing was published in the Environmental Notice Bulletin (ENB) on December 4, 2019; and

WHEREAS, a public hearing on the DGEIS was held on December 9, 2019 and written comments on the DGEIS were accepted by the Common Council, as Lead Agency, until December 23, 2019; and

WHEREAS, a Final GEIS ("FGEIS") has been prepared which includes, among other things, responses to comments on the DGEIS; and

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The Common Council hereby accepts and approves the FGEIS.
2. The City Clerk is authorized and directed to file and publish a Notice of Completion of FGEIS, and file and provide copies of the FGEIS as required by SEQRA.

3. Copies of the FGEIS will be available for inspection at the City Clerk's Office, Plattsburgh City Hall, 41 City Hall Place, Plattsburgh, New York and on the City's website at <https://www.cityofplattsburgh-ny.gov/604/DRI-Environmental-Impact-GEIS>.
